The Board may decide to forward proposed amendments to the membership for consideration by a simple majority vote of all Directors. The Board will publish a meeting notice including the date, time, place, and text of any proposed amendment at least 21 calendar days in advance of, but no more than 30 days prior to, the meeting at which the amendment will be considered. If the amendment is considered at a special membership meeting, the meeting will be conducted in accordance with state law. Business transacted at the meeting will be limited to the purpose of considering and voting upon the proposed amendment as stated in the written meeting notice.

A member petition to amend the bylaws or articles must be signed by 50 individual voting members or 10 percent of the members with voting rights, whichever is less. The petition must state the text of the proposed amendment, must document the eligibility of all member signatures, and must be delivered to either the President of the Board or the Treasurer. Within 30 days after receipt of a member petition to amend the bylaws or articles, the Board will hold a special membership meeting. The Board will comply with the notice requirements for special membership meetings and the meeting will be conducted in accordance with state law. The Board will publish the proposed amendment online in advance of the meeting.

Amendments to the Bylaws will be approved by a majority vote of eligible voting members present at the membership meeting at which the amendment is considered.

The Board may approve a petition amendment by a two-thirds vote of the active Directors in a roll-call vote. If the Board approves the petition amendment, a special member meeting will not be necessary.
